## ***Building Community Through Music***

Many thanks to everyone for making the July Festival a success! Performances and educational workshops were possible only through the outstanding support from members, donors, sponsors, granting entities, in-kind support and many volunteers.

Please join us as we continue our mission to build community through music. Your renewed support is vital in helping us plan for the 2025 season. We plan increased community engagement and added programming and partnerships with local musicians and community organizations.

*Here is a summary of the support from members, businesses, grants, volunteers, and in-kind donations of services and products.*

Grants from **Judith Ann Mogan Foundation**, the **Oregon Community Foundation**, and **Umpqua Bank Charitable Foundation** provided the opportunity to increase programming for workshops, and concerts at Southwestern Oregon Community College and elsewhere.
